Dear Pastor,

I want to introduce you to David and Amy Smith. They are members of our church and are currently on deputation to the country of New Zealand. They are being assisted by Fundamental Baptist World-Wide Missions.

David and his mother came to our church when David was just a young boy. He grew up under my ministry and graduated from our Christian School. Since a young boy, David has sensed the Lord's calling upon his life to go to New Zealand as a missionary. After attending Ambassador Baptist College and graduating from Calvary Baptist Bible College, David has applied and been accepted by FBWWM. While in college, David met and married Amy. God has blessed them with twin daughters and a son. Amy is supportive of the decision to go to New Zealand. They have made one trip to that country as a couple to see first hand the culture and the needs of those people.

I believe David and Amy will do their best to honor the Lord and be worthy of your church's support. I hope you will pray about having them and helping them get to the country of their calling. Preacher, thank you for taking the time to consider David and Amy Smith as possible candidates for your church's support. If I can answer further questions, please feel free to call me.

Yours in Christ,
