Dear Pastor,

Thank you for taking the time to consider the ministry of David and Amy Smith. I have known Bro. David and his wife for a number of years and have been impressed with their single hearted desire to take the gospel to the needy people of New Zealand. David and Amy have worked hard to get to this point and are now excited about the opportunity to share the burden God has given them with churches like yours.

David is a young man who grew up at here Calvary Baptist Church, graduated from our Christian school and later graduated from our college. I actually became acquainted with David while he was attending Ambassador Baptist College in Lattimore, NC. Even then David sensed God's call on his life and set his heart on being a missionary to New Zealand. I led my former church of sixteen years to support them when they traveled to New Zealand on a survey trip to confirm God's will for their lives. Since that time God has blessed them with two beautiful twin girls Abigail and Elisabeth and a son, Andrew. They are convinced that now is the time for them to launch out into the ministry God has called them to. Now as their sending pastor, they have my full support and the blessing of our church on their ministry.

Pastor, thank you again for taking the time to consider the Smith's as a possible addition to your church's missionary program. I do not believe you will be disappointed with their ministry. If you have any questions please feel free to contact me.

For His Harvest,

Kevin Broyhill
Pastor
