May 2011

Dear praying friends,

It's a girl!

May 5th we found out our next arrival will be a little girl! Amy is doing well with the pregnancy. The doctors say the baby is right on schedule for the September 17th due date. Please continue to pray for Amy and our next baby girl.

Upcoming Meetings

Please be in prayer for our upcoming meetings. Some of the churches we will be in over the summer have informed us they are not able to take on missionaries at this time. Pray God will use us to be an encouragement to these churches, and God will supply their needs for missions. June 11-17 we will be at our mission board's AIM conference. This year our home church is hosting this event. We are eagerly looking forward to it.

New Zealand Budget

We are working on our budget for the mission field. We want to be wise stewards of the resources God provides as well as represent the needs of the field accurately. New Zealand's living expenses are higher than other places in many ways. The fluctuation of the exchange rate is also a significant factor. Pray for wisdom and discernment as we seek guidance from our pastor, mission board, and other missionaries in New Zealand to finalize our needed support.

Pray for Christchurch

Please continue to pray for Pastor Ron Boersma and the Christchurch Independent Baptist church. Christchurch has experienced over 5,000 aftershocks since the 6.3 quake. One of the largest aftershocks occurred as late as 3:04 AM Tuesday morning local New Zealand time. This quake was a magnitude 5.3 quake 20km west of Christchurch. No significant damage occurred as a result of the quake, but the aftershocks continue to leave residents in the region unsettled. Please pray many will turn to Christ during this time.

Kiwis for Christ,

David Smith
