Dear praying friends,
We have much to share with you as we eagerly anticipate the next level of ministry God has for us! God is so amazing, and we are so blessed!

0002671 The Lord allowed us to travel over 2,500 miles during the months of March and April. Most of these were part of our trip to Missouri City, Texas. We had a wonderful week with Pastor Lamar Ard and the congregation of Cornerstone Baptist Church. We were blessed to be joined at the conference with our good friends, Richard and Laura Badgett and their daughter Ann. This trip was a much needed break for the entire family. On the way there we stayed overnight in Mobile, AL, and the kids saw the ocean for the first time. While in Texas, the church treated the missionary families to a zoo trip where the kids got to feed the giraffes. At the conclusion of the conference Cornerstone voted to support each of the new missionary families they hosted. **Thank you, Cornerstone Baptist**, for helping us to reach Kiwis for Christ!

In addition to Cornerstone Baptist in Missouri City, TX, **Eastside Baptist in Mebane, NC** and **King Community in King, NC** have also voted to support us financially. This raises our support level to fourteen percent! We are so thankful for the sacrifices of the Lord's people to help us fulfill the great commission!

We continue to be amazed at God's goodness and mercy to us. It is always a blessing to meet other believers who are eager to help spread the Gospel around the world. God has blessed us with several good meetings these past two months, and He continues to fill our schedule. Whether it be in the suburbs of a large city like Houston, TX, or in the small mountain communities of western North Carolina, God's church is at work spreading the Gospel around the world.

In addition to the miles travelled and the meetings attended, I have also been required to continue working forty plus hours a week at BE Aerospace. God has proven His sovereignty to us again and again through this position. The heart of the king "truly" is in the hand of the Lord. He continues to bless the work

I do as my time at BE comes to a close. I have notified my supervisor June 8th will be my last day, and we can hardly wait!

Please continue to pray for us as we prepare to go full time. Pray God will strengthen our faith in Him as He continues to meet every need. Pray also for wisdom that we will follow His direction during this crucial time in our lives and ministry. We also want to ask you specifically to pray for Amy's grandmother, Karen Stodola. She has an enlarged heart that may require surgery soon. Her doctors fear though she may not be physically well enough to have the surgery. More importantly, she admits to not being saved, is not open to hearing the Gospel. Please pray God will work in her heart both physically and spiritually, that she would give us the opportunity to share Christ with her.
